DETAILED ACTION

Drawings

1. The drawings filed on 5/12/2004 are acceptable subject to correction of the informalities indicated herein. Drawings were filed with hand-written notations of part numbers.

Replacement drawings should be submitted which use a fully computer created image. In order to avoid abandonment of this application, correction is required in reply to the Office action.

The correction will not be held in abeyance.

Allowable Subject Matter

1. Claims 1-16 are allowed for the reasons set forth by applicant in their arguments and amendment presented 2/2/2006.

2. The following is an examiner's statement of reasons for allowance:

3. 1. While Petite shows a real time internet monitoring system for a power plant, neither this reference taken alone or in combination with the prior art of record disclose where the data is presented as a web page using channel boxes (as depicted in figure 7 of applicant's disclosure and discussed in paragraph 57-59 of the specification). It is this use of channel boxes, in combination with the remaining elements and features of the invention, that the applicant's invention defines over the prior art of record.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
